

## **Federal Minister for the Environment Gabriel visits BIMUN/SINUB e.V.**

### **Successful presentation of BIMUN/SINUB e.V. on the Day of the United Nations**

Since the United Nation Charter came into force on 24 October 1954, this day has been celebrated by Member States and UN-cities as the “Day of the United Nations”. In the UN-city of Bonn, this year’s celebrations on the market square took place under the motto: “8:0 for Development – Fighting Hunger and Poverty.” On the occasion, BIMUN/SINUB e.V. informed the interested public about the work of our association and announced the upcoming conference and panel discussion.

Even the Mayor of Bonn, Mrs Dieckmann, and the German Federal Minister for the Environment, Mr Sigmar Gabriel, took the opportunity to get informed about the work of BIMUN/SINUB e.V. They were especially impressed with the international diversity of the 2007 BIMUN/SINUB-Conference and this year’s series of lectures on Biodiversity.
